Experience

Graphic Designer

Brand designer for the Boston University College of Fine Arts School of Visual Arts 2018 thesis show. In addition to branding, contributed to designs for banners, posters, postcards, stickers, and an HTML website. Was responsible for entire project from conception to production, including advertising and installation. 2018

Designed an in-house infographic for Scientific American using Adobe Illustrator. 2017

Designed brochure and assisted with visual components, including logo cleanup, for the start-up vegan chocolate company, NamaKiss. 2017

Web Designer

Redesigned and coded the website of self-help book author Sherri Fisher using HTML/CSS/JS. Site design included emphasis on contemporary coding practice, such as responsiveness, accessibility and PageRank/Search Engine Optimization through metadata. 2018

Redesigned musician Jacob Cooper's website using Wordpress. Also transferred domain hosting. 2017

Illustrator

Ongoing illustration and design projects with entrepreneur Ben Harkham. Projects include a custom shoe tread vector illustration, mechanical vector diagram of boot, shoe box design and shoe size sticker design, logo design and cleanup, and image editing and cleanup. 2018

Created illustration for sticker and grinder for the band Dump Him, for sale at shows. 2017

Social Media Intern

Designed in-house fliers and produced daily content for Instagram, Facebook, LinkedIn, and Twitter accounts for NGIN Workplace, a coworking space. 2017

Wrote daily posts that showcased content on Facebook feed for Scientific American. 2015

Art department intern at Scientific American, found stock photos and contributed to design. 2013

Education

Boston University
Received BA in graphic design and a minor in computer science.
